## Divemaster

Take the first step in your dive career and become a PADI Divemaster. Working closely with a PADI Instructor, you'll expand your dive knowledge and hone your skills as you become a dive professional. PADI Divemaster training develops your leadership abilities by training you to supervise dive activities and assist instructors with student divers.

### What can PADI Divemasters do?

- Assist PADI Instructors with students
- Lead PADI Scuba Divers on guided dive tours
- Teach and certify PADI Skin Divers
- Teach PADI Discover Snorkeling programs
- Conduct PADI Scuba Review programs for certified divers
- Lead certified divers on Discover Local Diving experiences
- Teach Emergency First Response programs after successful completion of an Emergency First Response Instructor course.

### What do I need to start?

- PADI Advanced Open Water Diver or qualifying certification from another training organization
- PADI Rescue Diver certification or qualifying certification from another training organization.
- Medical clearance signed by a physician
- 20 logged dives
- 18 years old
